IN RE: TWIN RIVERS VALLEY INTERNET SERVICES, INC., d/b/a TWIN RIVERS VALLEY TELEPHONE	DOCKET NOS. TF-01-246 (TCU-97-42)
--	--------------------------------------

ORDER REJECTING PROPOSED TARIFF

(Issued October 1, 2001)

On August 9, 2001, Twin Rivers Valley Internet Services, Inc., d/b/a Twin Rivers Valley Telephone (Twin Rivers), filed a proposed tariff for review by the Utilities Board (Board). The proposed tariff was identified as Docket No. TF-01-246. The proposed tariff was filed to comply with the Board's "Order Granting Application, Approving Concurrence In Maps, and Granting Waivers" issued March 17, 1998, in Docket No. TCU-97-42. In the order, the Board stated that Twin Rivers would be issued a certificate of convenience and necessity once it had an approved tariff with the terms, conditions, and rates for local exchange service on file with the Board. The Board directed that Twin Rivers file notice to all affected local exchange carriers when it filed its proposed tariff.

Upon reviewing the proposed tariff, the Board has determined that Twin Rivers has not provided the terms, conditions, and rates for providing local exchange service as required by the Board's March 17, 1998, order. The Board, through its staff, has

attempted to contact Twin Rivers on several separate occasions about the deficiencies in the proposed tariff, without success. Since Twin Rivers did not provide the terms, conditions, and rates required by Board order, the proposed tariff will be rejected. Twin Rivers may refile its proposed tariff with the necessary information.

IT IS THEREFORE ORDERED:

The proposed tariff filed by Twin Rivers Valley Internet Services, Inc., d/b/a Twin Rivers Valley Telephone, on August 9, 2001, is rejected for failure to provide the terms, conditions, and rates for local exchange service.
